

We all contribute to a safe workplace

Essentra colleagues will:

✔ *Always care for each other.*

My safety and the safety of my colleagues is the most important consideration in my workplace.

✔ *Act with a safety-mindset at all times.*

We never shortcut safety. We always find the safest way.

✔ *Share experiences and successes.*

We share best practices and lessons learned with each other

✔ *Take action to prevent workplace accidents.*

We STOP any unsafe acts immediately. We respectfully challenge any colleague who is not safety-focused

✔ *Travel with care*

We will not drive tired or whilst distracted by mobile technology.

We will consider risks when planning travel and always opt for the safety route or way.

✔ *Consider our ergonomic workspace*

We take time to make sure our workspace is well set-up and ergonomically friendly, wherever we are.

Stop. Think. Examine. Proceed.

We eliminate hazards in the workplace through STEP reporting and taking

Living the Safety Commitment is a core objective within everyone's annual objectives and performance review.
